

# The new E-Z Pack hi-capacity, one-man Side Loaders are here!

**Engineered to Peabody's leadership standards and designed to help your collection budget cover a lot more territory.**

Peabody, industry leader in total waste handling systems, now offers one-man packers that provide residential collection service at least cost. Peabody's outstanding Side Loader design features low-hopper loading...easy vehicle handling...and high refuse compaction! There's a range of body sizes available to fit various route and system requirements.

Right hand, stand-up drive increases driver and collection efficiency.

Low-hopper reduces effort and lessens operator fatigue.

**Every efficient collection system should have one  
...Or more!**
