

SYSTEM DISPOSAL, INC. BUYS THE **MAXON** HALF-PAK

LeRoy Forbes takes delivery of another new Maxon Half-Pak. The 42 cubic yard rubbish removal truck brings System's Half-Pak fleet to six Maxon units, and "We'll be buying more," LeRoy says.

"THE MAXON HALF-PAK HAULS A LOT OF RUBBISH, FAST", says LeRoy Forbes, operations manager of System Disposal, Inc., a subsidiary of SCA Services. "It's a great packer," he says, "and we haven't had any maintenance problems at all. Also, it's easy and simple for the drivers to operate."

Call Maxon today for a demonstration of the Half-Pak.

SACRAMENTO WASTE DISPOSAL CO. BUYS THE **MAXON** HALF-PAK

A. J. ANNIGONI STANDS NEXT TO RECENTLY PURCHASED MAXON HALF-PAK
"The Maxon Half-Pak was recommended to us by operators in Southern California," he says.

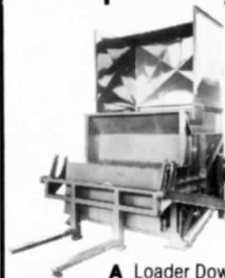

"FOR YEARS WE USED ANOTHER BRAND OF FRONT LOADERS ON OUR CONTAINERIZED ROUTES," SAYS A.J. ANNIGONI, MANAGER OF SACRAMENTO WASTE DISPOSAL COMPANY, AN SCA COMPANY, IN SACRAMENTO. "NOW AFTER RUNNING THE MAXON HALF-PAK WE'RE CONVINCED ITS QUALITY AND DURABILITY IS BETTER THAN ANYTHING WE'VE SEEN," HE SAYS.

"The only thing we have to watch is packing the loads too heavy because this truck is capable of compacting very, very heavy loads. We recommend the Maxon Half-Pak to you."

Call Maxon today for full details and a demonstration of the Half-Pak.

BROWNING-FERRIS INDUSTRIES, INC. BUYS THE **MAXON** HALF-PAK

ROY OLSON STANDS BY THE COMPANY'S RECENTLY ACQUIRED MAXON HALF-PAK WITH SHOP FOREMAN LAWRENCE WILSON. The 34 cubic yard rubbish removal truck gives "trouble free maintenance," Roy says.

"THE MAXON HALF-PAK IS EASIER TO MAINTAIN," SAYS ROY OLSON, TRUCK MAINTENANCE ADMINISTRATOR AT BROWNING-FERRIS INDUSTRIES OF CALIFORNIA, TORRANCE, CALIFORNIA

"The Maxon Half-Pak has easy-to-reach grease fittings on the packer guide and throughout the unit," he says. "Also, we have specially built hydraulic operated adjustable forks on ours to accommodate various pocket centers on bins."

"The MAXON Half-Pak looks good, it's well built, and the drivers like it," Roy says, "and we continue to get good payloads."

Call Maxon today for full details and a demonstration of the MAXON Half-Pak.
