MANUFACTURING COMPANY

**PAK-MOR's** *Le Boye*

PAK-MOR's Lo Boye:

The answer to the Growing City's demand for a modern method to bring new economies to refuse Collection. These large Capacity, highly maneuverable Trailers cut the number of trips to the dump each day, cut operational costs (Lo Boye has its own engine for Packing and Unloading) and carry heavier loads at less cost per ton no matter how distant your dump site. The PAK-MOR Mfg. Co., P. O. Box 14147, San Antonio, Texas — or your nearby PAK-MOR Distributor will gladly give you full details.
