

# **3<sup>®</sup> Belgium Standard**

# **Shu-Pak<sup>®</sup>**

## **CHOKE THROAT PACKING DESIGN**

- Prevents refuse from falling back into hopper
- No retention panel required
- Provides shorter wheelbase

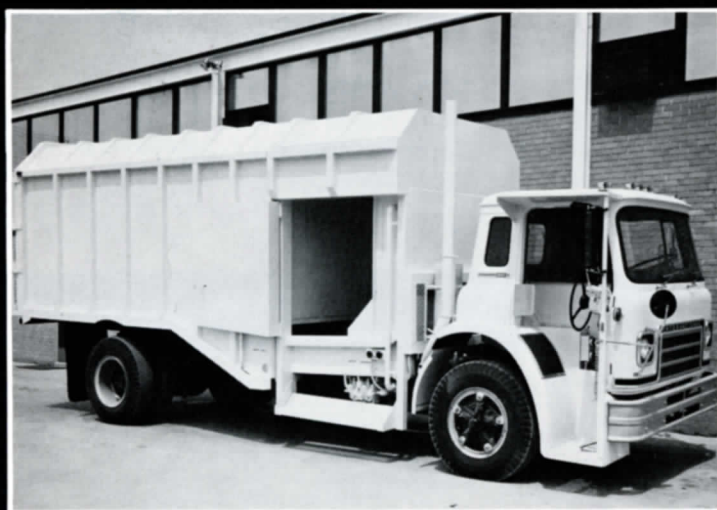

## **45° ROOF SLOPE**

- Provides additional tree clearance for close curb operation.

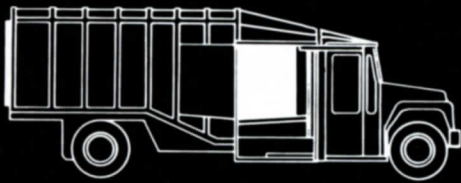

## **OPTIONS**

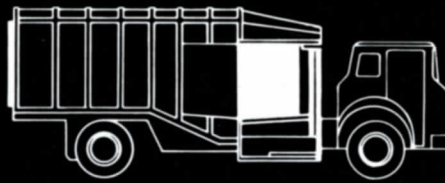

- Unitized body
- Hydraulic tailgate
- Enclosed hopper
- Aluminum body

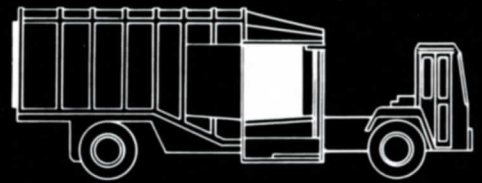

# **The Shu-Pak<sup>®</sup> one man side-loader curbs waste**

**S109**

**C109**

**CF109**
